

I was so upset when I read about Sinclair
Broadcasting forcing their stations to air an anti-
Kerry film.

Isn't this supposed to be a democracy here? In
order to protect our democracy, we cannot let
people "buy" an election. And that is what this is
trying to do. Sinclair is known to be a Bush backer.
So they are putting on an anti-Kerry film that is
really a 90-minute commercial for Bush. Many
viewers will "stumble upon" this film and not be
aware that it is totally biased. People assume that if
something is on free TV it can't possibly be that
biased.

This is a perfect example of the dangers of having
one company own many stations.

You have the power... and the responsibility... to not
let this happen.

Please be strong and courageous and stand up for
what is right.
